21st September 2026

Dear Parents, Carers, Guardians,

Blood Brothers: The Grand Theatre: Leeds

I would like to invite your young person to see a live performance of Willy Russell's Blood Brothers. The play remains a very popular part of our Year 9 course; seeing it in performance will be an ideal opportunity to see the play brought to life at the same time as revisiting it in the classroom. I cannot emphasize more highly the impact of seeing the production from both an enrichment perspective and to inspire students to experience the rich culture our country has to offer. We are offering this trip to both years 9 and 10 as both year groups will have or will be about to study the play within their English lessons.

The trip will take place on 13th May, 2027. The cost of the trip is £29.30 which will cover both the ticket and the transport to and from school. Students will leave school at approximate 1.00pm and will arrive back at school at approximately 5pm, dependent upon traffic. There may be an alteration to the time of arrival when the theatre confirms the running time. Students will be updated as necessary.

Students will be seated together within the theatre with a staff member and will be supervised by school staff at all times. Our expectations of their behavior will be extremely high as this is a public performance. If, for whatever reason this is breached, they will be removed from the auditorium for the remainder of the show. As this is a matinee performance, students are expected to be in full school uniform.

Pupils will have access to refreshments at the theatre. Students will be advised to bring water with them and some money for ice-cream if they would like. There will also be an opportunity to buy a programme.

Due to the huge popularity of this play, we have only been able to secure 130 tickets therefore the attendees to the theatre will be drawn at random after the confirmation closing date. If you wish for your child to be considered in this draw, please register your interest [on Arbor](#) no later than **Monday 28th September 2026**. If your child is allocated a place, the trip will become available on ParentPay and will be payable by 8th November. If your child is in receipt of free school meals however, funding may be available on this occasion.

I would like to take this opportunity to remind you that due to this visit taking place within Yorkshire & Humberside, there is no longer a need to provide consent or medical information for your son/daughter. This information was obtained from the student data record form (SDR) and these details will be taken from the school system. If you need to make any updates or amendments, since returning the SDR, to your child(s) medical information and/or emergency contact details, then do so, on Arbor.

Additionally, if your son/daughter needs to take any medication during the visit, please print & complete a copy of the Med 3 (permission to self-administer) form from the Educational Visits page on the school website and return to myself in school. The school takes out annual school journey insurance to cover students on any school visit. Please see attached link: <http://www.selbyhigh.n-yorks.sch.uk/Parents/visits/>

Please get in touch if you have any queries. We hope your son/daughter will be able to join us on what promises to be an inspiring event for students.

Yours faithfully,

Nicola Welsh
Teacher of English
