5th November 2026

Dear Parents, Carers, Guardians,

Children in Need Day

Friday 13th November this year is the annual Children in Need Day. As usual, there will be a wide variety of events held across the country throughout the day and into the night.

Our own contribution this year is in the form of a non-uniform day, where students can pay £1 in order to wear non-school uniform for the day.

Arrangements will be made on the day for students to make their £1 donations, which students can place in their House buckets as they enter the school – this is a House competition to see which House can raise the most money on the day!

(Online payments are **NOT** available in this instance.)

We understand that finances are tight in many households. The £1 is a voluntary donation that, if you are able to afford it, we are very happy to receive.

The theme this year is "Challenge Yourself,", something we hope all students at Selby High School can do. Whether through the numerous trips we take students on, the activities in school, or in class.

Please also be mindful that it is November, and we are still a school, so no inappropriate clothing or clothing that has inappropriate messages printed on it.

Many thanks for your support for Children in Need Day.

With best wishes,

Stephen Hawksworth
House Manager
