5th November 2026

Dear Parents, Carers and Guardians,

Supporting Your Child Through Key Stage 3 Evening

We would like to invite you to our 'Supporting Your Child Through Key Stage 3' evening, which will be held on Wednesday 25th November 2026. The evening will run from 5pm to 6.30pm. The event is open to all parents, carers and guardians of current year 7, 8 and 9 pupils, and will include information on how to support your child's learning journey at home.

Presentations will include:

- The Values Curriculum
- Supporting Emotional Wellbeing
- Home Learning
- Behaviour and rewards at Selby High
- Supporting your child's literacy
- Reading Plus
- Using numeracy to support your child
- Enrichment at Selby High

There will also be information around wellbeing and mental health support.

Extending learning at home is a vital tool in helping pupils maintain good academic progress and achieve their potential at school. Additionally, students who develop good home learning habits in the early years of high school, are more likely to find themselves well equipped for the independent revision needed during the final GCSE years. I hope that you can attend the evening so that we can support your child's learning journey, in partnership with Selby High School.

Please let us know if you plan to attend, by completing the following Google Form.

Should you have any questions about the evening, please do not hesitate to contact us at school.

Yours sincerely,

K Whitaker.
