We are looking for an outstanding candidate to lead the school's internal exclusion provision, ensuring a calm, purposeful and supporting environment for students internally excluded for behaviour incidents within school. The successful candidate will promote positive behaviour, and support reflection and restoration. The role will also involve using our MIS and other software to analyse behaviour data, identifying trends and patterns, then producing reports to clearly communicate these findings.

The successful candidate will be well organised and efficient and have a calm and approachable disposition. The role requires someone who is able to work independently for extended periods, but who is also a committed member of a wider team. A commitment to the life and wider ethos of the school is essential.

We offer extensive training opportunities for our support staff, which may lead to other employment within the school.

In addition to your salary, we offer an excellent Employee Wellbeing package, supporting physical, mental and financial health and wellbeing.

We are committed to meeting the needs of our diverse community and aim to have a workforce reflecting this diversity. We are also committed to safeguarding and promoting the welfare of children, young people and adults. We have a robust child protection policy and all staff will receive training relevant to their role at induction and throughout employment at the school. We expect all staff and volunteers to share this commitment. This post is subject to satisfactory references and enhanced Disclosure and Barring Service criminal records check for work with children.
